MDOT to host open house on I-94 bridge replacement in Detroit and long-range transportation visioning plan

WHAT:

An open house-style meeting to inform the public on the replacement of the Concord Avenue and French Road overpasses above I-94 in Detroit. Coinciding with the meeting, the Michigan Department of Transportation (MDOT) will be seeking vital input to help establish a vision and priorities for a new state long-range transportation plan.

WHO:

MDOT staff
Consultant staff
Residents and interested stakeholders

WHEN:

Tuesday, Feb. 12, 2019
5:30 - 7:30 p.m.

WHERE:

New Mt. Carmel Tabernacle Church of God in Christ
6136 Pennsylvania St.
Detroit

Accommodations can be made for persons with disabilities and limited English-speaking ability. Large print materials, auxiliary aids or the services of interpreters, signers, or readers are available upon request. Please call Anita Richardson at 517-335-4381 to request at least seven days before meeting date.

BACKGROUND:

MDOT staff and consultants will share project details on the upcoming replacement of the French Road and Concord Avenue overpasses above I-94. This work, part of the I-94 modernization project in Detroit, is expected to begin in March and end in November.

The I-94 modernization project will improve safety and mobility by modernizing roughly 7 miles of I-94 between Conner Avenue and I-96. Included in the modernization is utility and bridge

replacement, improvements to freeway interchanges, and construction of an additional freeway lane. Additional project information is available at www.i94detroit.org.

In addition, MDOT staff will be available to discuss Michigan Mobility 2045 (MM2045), a collaborative effort to provide the public and key stakeholders an opportunity for engaging in establishing transportation priorities for the next 25 years.

More information is available at www.MichiganMobility.org. Public comments can be sent to MDOT-MichiganMobility@Michigan.gov or can be sent via U.S. Mail:
