August 14, 2019 -- Weather permitting, Michigan Department of Transportation (MDOT) contract crews will be repairing pavement on I-94 in Detroit. This work will require closing westbound I-94 from I-96 to US-12 (Michigan Avenue) starting at 9 p.m. Friday, Aug. 16. All lanes of the freeway are expected to reopen by 5 a.m. Monday, Aug. 19.

During this closure, westbound traffic will be detoured via eastbound I-96 to the Martin Luther King Jr. Boulevard/Michigan Avenue exit, then westbound on Michigan Avenue back to westbound I-94. Drivers can also use westbound I-96 to southbound M-39 (Southfield Freeway) back to westbound I-94. The closure is needed to safely allow crews to resurface westbound I-94 from I-96 to Wyoming Avenue.

The southbound I-75 ramp to westbound I-94 is currently closed for the ongoing Brush Street overpass replacement. The weekend detour for the ramp closure will be southbound I-75 to Rosa Parks Boulevard, then southbound 14th Street to westbound US-12 and back to westbound I-94.
