

# I-94 Public Hearing Summary Document Review Locations

The **Michigan Department of Transportation (MDOT)** held two public hearings on October 10, 2019 regarding a Draft Supplemental Environmental Impact Statement (DSEIS) and section 4(f) Evaluation for proposed improvements on I-94 at the Detroit Historical Museum, 5401 Woodward Avenue, Detroit 48202 and Wayne County Community College District, 5901 Conner Avenue, Detroit 48213.

The hearings allowed interested parties opportunities to view displays, speak with project team members, and make formal documented comments. The project, located in the city of Detroit, extends from east of the I-94/I-96 interchange to east of Conner Avenue, along M-10 from Martin Luther King Jr. Boulevard to Seward Avenue, and along I-75 from Warren Avenue to Custer Street. In addition to the hearings, MDOT solicited and accepted public feedback during a formal public comment period beginning September 14 through October 28, 2019.

The summary document includes the complete hearing transcript of oral testimony given by participating stakeholders and written comments received during the public hearings. **Copies will be available for review at these locations for between February 24 and March 24, 2020:**
